### NEWS ADVISORY

## **GUSD Seeks Community Members for Open Seats on Citizens' Bond Oversight and Superintendent's Facility Advisory Committees**

Glendale, CA - Glendale Unified School District is currently soliciting applications to fill one open seat on the Citizens' Bond Oversight Committee (CBOC) and two open seats on the Superintendent's Facility Advisory Committee. Expertise in areas such as architecture, engineering, construction, law, educational administration, financial management, real estate/development, construction management, and/or public administration is highly valued but is not required.

### **About the Citizens' Bond Oversight Committee**

Following the passing of the Measure S Bond in April 2011, the Board of Education established the CBOC in accordance with the Strict Accountability in Local School Construction Bonds Act. The CBOC oversees the expenditures of bond proceeds generated from Measure S. CBOC members are appointed to either a one- or two-year term; and may not serve more than three (3) consecutive terms or a maximum of six (6) consecutive years. The Committee meets quarterly.

### **About the Superintendent's Facility Advisory Committee**

The SFAC was established in June 2011 to ensure Measure S funds are utilized in a cost effective manner to provide facilities, technology, and equipment that support GUSD's educational program as outlined in the provisions of Measure S and the district's strategic plan. The SFAC reviews capital facilities projects and makes recommendations to the Superintendent and Board of Education related to those expenditures. SFAC members are appointed to either a two- or three-year term, and may not serve more than five consecutive years. The Committee meets twice a month on Mondays.

**Applications are available on the GUSD website at [www.GUSD.net](http://www.GUSD.net).**

**Deadline for submitting applications is July 20, 2018.**
